

## CHAIRMAN'S REMARKS

*Welcome to the 25th NARSA exhibition. Some of you were not born when we set out to create a premier Amateur Radio exhibition for the North. I do hope that you have an enjoyable and worthwhile day.*

*Our old friend Basil O'Brien G2AMV will present the prizes and Mrs. Sparks the Bill Sparks Memorial Trophy at about 1630.*

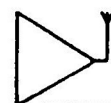

*This may be our last year at Belle Vue as it is likely to cease to be an exhibition centre. We are actively looking for a new site and look forward to seeing you all again in the Spring of 1988.*

*Arnold A. H. Moss G8VF*
